COMPACT
OFF-ROAD ADVENTURE

Perfect for adventurers who demand rugged reliability in a compact caravan.

The Gladiator CRV is a tough compact unit packed with features typically found in high-end models, including a toilet, shower, kitchen, fridge, and full-height pantry. Built with premium components, the Gladiator is designed for off-road excursions, featuring independent suspension and a robust six-inch chassis. Its flexible bedding options allow for easy conversion, and versatile sleeping configurations.

"We are delighted to have chosen Crusader. From the day of purchase every person at Crusader has been a pleasure to work with. They have explained everything to us and have been very cooperative. I can't recommend them enough. One day, we visited the factory. It was an amazing spectacle! Now we understand why they won the award for being the best factory. Thank you very much, Crusader!!!"

FLOORPLAN KEY ELEMENTS

*Indicative lengths and weights are for standard configuration, any additional options or variations will increase weights. Weights are approximate only and can vary between individual caravans. The Compliance Plate specifies the accurate weight for each respective caravan. Alterations to designated ATM may be requested at the time of order provided it does not exceed the legal maximum and is subject to the final tare weight. Floor length is the total length of the caravan's floor. Overall width is measured externally and includes all protruding fixtures. Images shown are for representation purposes only
