FLOORPLAN KEY ELEMENTS

*Indicative lengths and weights are for standard configuration, any additional options or variations will increase weights. Weights are approximate only and can vary between individual caravans. The Compliance Plate specifies the accurate weight for each respective caravan. Alterations to designated ATM may be requested at the time of order provided it does not exceed the legal maximum and is subject to the final tare weight. Floor length is the external total length of the caravan's floor. Overall width is measured externally and includes all protruding fixtures.
